Person Summary

I am a Computer Systems Engineering graduate from Kirinyaga University with practical experience in UI/UX design, web development, game development, IT systems support, and 3D modeling in Blender. Knowledge in HTML, CSS, C, C#, C++, Unity, JavaScript, Python, PHP, SQL and frameworks such as Blazor and Laravel, I bring both technical expertise and creative problem solving to digital projects. I am guided by strong core values that shape both my professional and personal life

Currently interning in the IT Department at Chrome Partners, focusing on data entry and software development. Completed industrial attachments at Kenyatta University Teaching, Referral and Research Hospital and Centric Limited, where I strengthened skills in IT security, network and device troubleshooting, and contributed to the development of user-focused applications.

Currently leading the design and development of Happiness in the Family Inc's official website, a Christ-centered digital platform dedicated to family empowerment, youth mentorship, and church training. My role involves implementing secure hosting and DNS management, building responsive web interfaces, while enhancing UI/UX design with immersive visuals and culturally

resonant branding. This project not only strengthens my technical expertise in web development and IT security but also reflects my passion for using technology to create meaningful community impact. I have also created website such a marshallsciences.co.ke and also participated in switching e commerce website decorluxke.co.ke to homeluxkenya.co.ke.

I have got experience with design tools like Blender, Figma, Clipchamp and Canva, I am passionate about coding, animation, game development and leveraging technology to solve real-world challenges. Beyond technical skills, I am driven by a passion for community impact, using my knowledge and creativity.

Skills

- Programming frameworks: Blazor and Laravel.
- Design Tools: Figma, Canva, Clip chap and Blender (3D modeling & animation).
- Core Competencies: IT Security, Web Development, UI/UX, Troubleshooting, Team Collaboration.

Education

Bachelors in Computer Systems Engineering – Kirinyaga University (2021–2025)

Grade: Second Class Lower

Kenya Certificate of Secondary Education – Nkubu High School (2016–2020)

Grade: B

Kenya Certificate of Primary Education – Jasipa Primary School (2005–2016)

Grade: 337 (Marks)

Experience

Internship – Chrome Partners (IT Department)

January 2026 – Present

1. Supporting data entry processes and contributing to software development projects, ensuring accuracy and efficiency in system operations.

2. Assisting in record collection in order to streamline workflows and improve departmental productivity.

3. Collaborating with IT staff to troubleshoot technical issues, provide user support, and maintain smooth system functionality.

4. Documenting processes to build a reliable knowledge base for future pricing.

Attachment – Centric Limited

May 2024 – August 2024

1. Designed, developed, and tested responsive web applications that improved usability across devices, optimized load times, and enhanced overall user experience. Implemented modern frameworks and best practices to ensure scalability and maintainability.

2. Collaborated closely with UI/UX teams and stakeholders to meet user requirements.

3. Integrated backend services and APIs to support dynamic features, ensuring smooth data flow and secure interactions between client and server.

4. Participated in code reviews and debugging sessions, strengthening application reliability and fostering of continuous improvement within the team.

Attachment – Kenyatta University Teaching, Referral and Research Hospital (KUTRRH)
May 2023 – August 2023

1. Enhanced IT security protocols and supported network troubleshooting by monitoring system vulnerabilities and assisting in firewall configuration.

2. Provided hands-on support for LAN/WAN connectivity issues, ensuring stable and secure access to internet for staff and departments.

2. Diagnosed and repaired routers, printers, and computer systems through systematic hardware and software testing, resolving issues related to connectivity, performance, and device compatibility.

3. Collaborated with to document incidents report and resolutions, contributing to knowledge bases and improving response times for recurring technical challenges.

4. Implemented basic data backup and recovery procedures, safeguarding critical information and minimizing risks of data loss during system failures.

Awards & Honors

- Wildlife Club Award
- AWS for Games Learning Plan: AI and Machine Learning certificate.
- HP LIFE online course Introduction to Digital Business Skills certification.
- HP LIFE online course Data Science & Analytics certification.
- Community Work Award.

Hobbies & Interests

Coding, 3D Modeling & Animation and troubleshooting computers

N/B: Copies of my Primary, Secondary, and University certificate and transcripts are attached for reference.

Certificate No. 25009

2060

Kirinyaga University

The University by virtue of the authority vested in it and on recommendation of the Senate has conferred upon

Kithinji Tito Mutethia

the

Bachelor of Science in Computer Systems Engineering

Second Class Honours (Upper Division)

with all the rights and privileges pertaining to this Degree at a congregation held on Thursday Ninth Day of October in the year Two Thousand and Twenty Five.

Deputy Vice Chancellor
Academic, Research & Student Affairs

Vice Chancellor
